#### **14. Member Items**

At the request of Mayor Price, and a consensus from the Governing Body, to proceed with Member Items before Executive Session.

Mayor Price apologized to Council President Henry, noting he is one of the hardest working Council Members he has ever had the pleasure of working with. He noted that the Council is not always unanimous on everything, they don't just check the box and go through the motions. Mayor Price indicated that regardless of the vote tonight, everyone on the City Council is fiscally responsible, he appreciates all they do, and knows everyone sacrifices a lot for the City of Andover. He apologized and noted, he will do better.

Council Member Wemmer emphasizes that being a Council Member isn't easy and that they all do their best to represent the citizens of Andover. He acknowledged that there are many factors and information that go into their decisions and that the public may not always see or understand everything that goes on. Wemmer encouraged the community to continue to voice their concerns and opinions by speaking to Council Members directly or using the City's social media and website, as it is the only way to truly represent the community. He also thanked City staff for their continued support.

Council Member Warrington agreed with Council Member Wemmer and added that the Council's forward thinking is what he likes the most.

Council Member Ocadiz noted that they are all human and will make mistakes. She stressed the importance of giving each other grace and remembering that everyone is working hard for the common goal of doing what is best for the citizens.

Council President Henry thanked Mayor Price for his apology and appreciated all the input from the Governing Body tonight. He indicated that he wished the workshop had ended differently but said it was a learning lesson to grow from.

He expressed his appreciation for the master plan and all the hard work and staff time that goes into it.

Council Member Hamilton discussed how Mayor Price told him when he was appointed that his instructions were to fight for what he believes is right for the City. He appreciates that even when the Council disagrees, the Governing Body will stand their ground on what they feel is best for the citizens of Andover.

Council Member Berry apologized for raising his voice and losing his decorum. He indicated he will not be attending the next City Council meeting and wished everyone good luck with the upcoming school year. Additionally, he asked Director of Public Works and Utilities Rick Lanzrath how the progress on the Andover/Central Road project is coming along. Director Lanzrath clarified that the contractors will not work on the road in front of the schools while school is in session. The current work is the first part of a multi-layered project, which involves patching cracks and will return to a four-lane roadway for the school year. The final resurfacing will happen during a break in the school year.

Director Lanzrath then announced upcoming concerts, Aaron Lewis on Thursday, July 31st, and Chris Young on Saturday, August 2nd.

Council Member Ocadiz thanked the Street Department, Police Department, and the Fire Department for working in extreme heat.

Council President Henry asked for the results of the recent blood drive. Fire Chief Chad Russell indicated he wasn't at liberty to say the results; however, he did indicate that the trophy was picked up by the Red Cross to have the winner's name engraved on it. He announced that 85 to 88 units of blood were collected, which was a significant increase from the previous year's 40 units. They also noted that people from multiple communities participated and that donations were collected at both the police and fire departments.

## **15. Executive Session**

### **14.1 Executive Session - Attorney Client Privilege**

Council President Henry moved, seconded by Council Member Ocadiz to recess into an executive session for consultation with the City Attorney for the public body or agency which would be deemed privileged in the attorney-client relationship per K.S.A. 75-4319(b)(2). The session is to include the Governing Body, City Administrator, City Attorney, and the Director of Community Development. The open meeting will resume at 8:51p.m. (15 minutes).
