A. 2015 Baker: There is trash and refuse on the property including but not limited to: There is furniture and mattresses located on the west side of this property and that said Unlawful Accumulation constitutes a nuisance pursuant to Section 8.08.110 of the Code of Ordinances of the City of Great Bend, Kansas. This real estate is located at 2015 Baker and is the subject of Resolution Number 051925-A.

Mr. Moeder made a motion to approve Resolution 051925-A. The motion was seconded by Ms. Maddox and passed with all voting in favor.

- 5. Pavement Markings at the Intersections:** Assistant City Engineer Hitha Kadiyala reported that we have a CCLIP project commencing on May 19th, which includes pavement markings. Since Road Safe is already our sub-contractor through Venture Corporation for this work, we requested a quote from them for additional pavement markings at 10th street intersections which came in at \$59,312.19. This approach will help us save time and money by reducing mobilization costs. Funding will come from street repair budget line item. Councilman Urban asked why staff couldn't paint these lines because \$60,000ish is quite a bit of money when we are capable of doing it. Hitha reported that the city is having issues with the paint lasting on high traffic areas. The last time we did 10th and Washington that paint lasted 2 weeks. Staff is currently researching the problem to see what other paint is available that does not have this issue and possibly try to get the paint that Roadssafe uses. With the safety concerns, Ms. Biggs made a motion to approve the quote from Venture Corporation for additional pavement markings on 10th Street for \$59,312.19. Ms. Maddox seconded the motion and passed by a vote of 5-3, with Mr. Urban, Mr. Jimenez, and Mr. Parr voting no.
- 6. Dodge Ram ½ Ton 4x4 Truck:** Utilities Supervisor Darren Doonan reported that the water department has in the Capital Outlay the funds to purchase a new Dodge Ram ½ ton 4x4 truck. This truck will be used for the Wastewater Treatment plant as they currently have a 2021 F250 crew cab that we will take and install a utility bed on replacing our 2012 Chevy ¾ ton that is utilized for a service truck which houses all the parts and equipment for field service work. This is a cost savings measure as the replacement of the Field Service truck would be upwards of \$70,000 +. We have acquired bids for the ½ ton from Conklin, Marmie's Ford, Marmie's Dodge, Marmie's Chevy and Marmie's Dodge came in at low bid at \$42,185.00. Mr. Parr made a motion to approve the purchase of the Dodge Ram ½ Tn Truck from Marmie's Dodge for \$42,185.00. Ms. Mingenback seconded the motion and passed with all voting in favor.

ADJOURNMENT

Mr. Soupiset made a motion that the meeting be adjourned. The motion was seconded by Ms. Mingenback and passed with all voting in favor. The meeting was adjourned at 6:57 p.m.
